

HILTI – ONE OF EUROPE’S BEST EMPLOYERS

Schaan (FL), June 9, 2017 – Once again, Hilti was ranked among Europe’s Best Multinational Workplaces by the Great Place to Work® Institute. This year, the construction technology group came in 7th place.

“As team members, we all realize that we are playing a part in creating our corporate culture and help shape our work environment. Thanks to this motivation, our teams are fully dedicated to their company all around the world and thus spur its innovativeness and differentiation on the market,” says Sabine Krauss, Head of Global Human Resources when commenting on the reasons for Hilti’s repeated top ranking.

In the surveys carried out by the Great Place to Work® Institute, Hilti has a consistent track record of excellent overall satisfaction scores and is perceived as a great employer by up to 90 percent of its employees who are proud to work for the company. Other positive points standing out in the surveys were the constructive work climate, personal career opportunities and the family-friendly attitude of the company.

The Hilti Group supplies the worldwide construction industry with technologically leading products, systems, software and services that provide construction professionals with innovative solutions and superior added value. The Group employs more than 25,000 team members in over 120 countries who passionately create enthusiastic customers and build a better future. Hilti generated annual sales of CHF 4.6 billion in 2016. Hilti’s corporate culture is based on integrity, teamwork, commitment and the courage to embrace change. The headquarters of the Hilti Group are located in Schaan, Liechtenstein.
